## REGENERATIVE ORGANIC URBAN FARMING SYSTEMS PROMOTING HEALTHY COMMUNITIES

### SoxxBoxx Gro System advantages:

- Alegría's Premium Living Soil used in our SoxxBoxx Gro System produces the best tasting, fastest growing, strongest plants loaded with all essential nutrients;
  - Polypropylene Sox breathe, providing more oxygen to the roots by promoting "root pruning";
  - SoxxBoxx Gro System optimizes combined aeroponic, hydroponic and organic systems;
- Grow your favorite "healing foods" including leafy greens, medicinal herbs and vegetables anywhere;
- Above ground growing keeps crops away from hungry critters, makes harvesting standing up easy and provides a cooler growing environment up and away from contaminated or deficient soils;
  - 95% less water is required, 50% less fertilizer and zero toxic pesticides;
    - Modular design can be scaled up to any size;
    - Automatic irrigation or hand watering is simple and fast;
  - SoxxBoxx regenerative organic urban farming can provide 6-8 crop cycles a year;
    - 100% recyclable Earth-kind components;
  - Simple and cost-effective design allows for success and low maintenance;
- SoxxBoxx Gro System is a portable system that can be deployed anywhere and removed easily.
